

# IPEIA 2019 EXHIBITOR PACKAGE

## PURPOSE OF EXHIBITION

IPEIA 2019 is an educational event, and the exhibition, which is staged in conjunction with the professional conference, is a vital element of this educational process.

## ASSIGNMENT OF EXHIBIT SPACE

Exhibit space will be assigned by the IPEIA Public Relations Committee. IPEIA shall use its best efforts to locate the booth in one of the locations designated by exhibitor elsewhere in this agreement. Notwithstanding the above, IPEIA reserves the right to change location assignments when such action is deemed to be in the best interest of the exposition. Instances involving relocation of a booth due to unforeseen circumstances, force majeure or acts of God or war shall be governed by the provision "Cancellation, postponement or relocation of exposition" below. Exhibitor agrees that its exhibit shall be admitted into the exposition and shall remain from day to day solely on strict compliance with all the rules herein described. IPEIA reserves the right to reject, eject or prohibit any exhibit in whole or in part, or any exhibitor with cause if exhibit is unsuitable to or not compliant with the character of the exposition. IPEIA's liability for rejection with cause shall be limited to a refund to the exhibitor of the amount of rental unearned at the time of ejection. However, if an exhibit or exhibitor is ejected for violation of these rules or for any other stated reason, no return of rental shall be made.

## RENTAL OF SPACE AND ITS USE

Rental equipment is available through GES. The exhibit space is 8' X 6' for a single booth. Double and triple booth spaces may also be rented however rental of these space configurations is contingent on availability. A floor covering cannot be placed in the aisle between two separate exhibits. No displays or obstructions may be placed in normal aisle area or obstruct neighbouring booths. **Cubistic or free--form displays:** These may be constructed in any manner desired, within the areas designated, except the upper 40 percent of each display must be at least 50 percent open.

## INSTALLATION AND DISMANTLING

The exhibitor explicitly agrees that in the event it fails to install its products in the assigned exhibit space or fails to remit payment for required space rental or payment for advertising at time specified, IPEIA shall have the right to take possession of said space and lease same or any part thereof to such parties and upon such terms and conditions as it may deem proper. In addition, the exhibitor shall not dismantle or otherwise interfere with the orderly conduct and display of the exhibit until the exposition is finally closed to the conference attendees.

## FILM, SOUND DEVICES AND LIGHTING

If images, loudspeakers or sound devices are used, the exhibitor agrees to comply with The Banff Centre requirements for the operation of the equipment. Equipment will only be permitted if tuned to conversational level and is not objectionable to neighboring exhibitors. Operating equipment that emits excessive noise must be run intermittently for specific demonstrations only. IPEIA reserves the right to restrict the use of glaring lights or objectionable lighting effects.

## FIRE AND SAFETY REGULATIONS

Exhibitor shall not pack merchandise in paper, straw, excelsior or any other readily flammable material. All cartons stored in the exhibition building shall be emptied of contents. Exhibitor shall use no flammable decoration or covering for display fixtures, and all fabrics or other material used for decoration or covering shall be flameproof. If required by local law or ordinances, exhibitor shall have on hand in its exhibit space a notarized affidavit establishing that its display materials have been treated during the last year by an approved chemical. All wiring devices and sockets shall be in good condition and meet the requirements of local law

## CODE OF CONDUCT

Exhibitor and its representatives agree to abide by the IPEIA code of conduct and policies. The prior written consent of IPEIA is required for the employment or use of any live model, demonstrator, solicitor or device for the mechanical reproduction of sound. Such employment or use shall be confined to the exhibit space. IPEIA, in its sole and absolute discretion, may withdraw its consent at any time, in which event exhibitor shall terminate such activity immediately. Distribution of pamphlets, brochures or any advertising matter must be confined to the exhibit space. Exhibitors are prohibited from bringing alcoholic beverages into the Banff Centre conference and exhibition area. Exhibitor shall refrain from any action that will distract attendees from attendance at the exposition during open hours.

## STORAGE

Exhibitor will **not** be permitted to store packing crates and boxes in the booth or at the Banff Centre during the exposition, but these, when properly marked, will be stored and returned to the booth by service contractors. It is the exhibitor's responsibility to mark and identify all crates and boxes. Crates and boxes not properly labeled may be destroyed. No trunks, cases or packing material shall be brought into or out of the exhibit space during expo hours. There is a room assigned at Maxbell for storage if necessary. Please talk to an Exhibitor Ambassador to coordinate your storage needs.

## CONTRACTOR SERVICES AND INFORMATION

Where an official contractor has been designated to perform services for an exhibitor — such as the rental of furniture, setup of exhibits, electrical work, plumbing, labor or any other service — no exhibitor or representative shall contract for such services with other than the said official contractor unless permission has been secured in writing in advance from IPEIA. IPEIA assumes no responsibility or liability for any of the services performed or materials delivered by the contractors.

## LIABILITY AND INSURANCE

All property of the exhibitor remains under its care, custody and control in transit to and from The Banff Centre, during installation and removal, and while it is within the confines of The Banff Centre. Neither IPEIA, the owners or management of The Banff Centre, nor any of the officers, staff members, volunteers or directors of any of the same are responsible for the safety of the property of exhibitors from theft, damage by fire, accident, vandalism or other causes. The exhibitor expressly waives and releases any claim or demand it may have against any of them by reason of any damage to or loss of any property of the exhibitor, except where the damage or loss is due to the gross negligence or willful misconduct of IPEIA, the owners or management of the expo hall, or their agents or employees, arising out of IPEIA's, the owners or managers of The Banff Centre, or IPEIA's duties and responsibilities under this agreement. Exhibitor understands that neither The Banff Centre, nor IPEIA carry business interruption and/or property damage insurance coverage for loss or damage of exhibitor's property. The exhibitor agrees to obtain the following insurance during the dates of the exposition, including move-in and move-out days, and shall be prepared to furnish a certificate of insurance to IPEIA if requested: (a) commercial general liability insurance coverage including protective and contractual liability for bodily injury and property damage, (b) employer's liability insurance, (c) worker's compensation/occupational disease coverage in full compliance with federal and provincial laws, (d) comprehensive general liability automobile insurance.

## CANCELLATION, POSTPONEMENT OR RELOCATION OF EXPOSITION

In the event that any unforeseen occurrence, force majeure, or acts of God or war shall render the fulfillment of this agreement impossible by IPEIA, the parties shall mutually amend or terminate the agreement at IPEIA's option. In such circumstances, IPEIA's sole responsibility to exhibitor shall be a full refund of all rental fees paid by exhibitor. No monies will be returned should the dates or location of the exposition be changed by IPEIA, but exhibitor will be assigned space that the exhibitor agrees to use under these same rules and regulations. IPEIA shall not be financially liable in the event the exposition is interrupted, canceled, moved or dates changed except as provided herein.

## EXHIBITOR CANCELLATION:

Cancellation of any portion of this application/contract by the exhibitor will be accepted only at the discretion of IPEIA.

## HOLD HARMLESS AND INDEMNIFICATION

This agreement shall not constitute nor be considered a partnership, joint venture or agency relationship between IPEIA and The Banff Centre. Exhibitor hereby agrees to indemnify, hold harmless and defend IPEIA, The Banff Centre and their respective officers, directors, volunteers and employees (indemnities) from and against any and all liability, responsibility, loss, damage, cost or expense of any kind whatsoever as they arise (including but not limited to court costs, interest and attorney's fees) that the indemnities may incur, suffer, be part to or be required to pay, incident to, or arising directly or indirectly from any intentional or negligent act or omission or breach of these terms, conditions and rules, or violation of any ordinance or statute by exhibitor or any of its employees or agents. The exhibitor assumes full responsibility and liability for the actions of its agents, employees and independent contractors, whether acting within or without the scope of their authority, and agrees to indemnify, hold harmless and defend the indemnities as expenses arise, from responsibility or liability resulting directly or indirectly, or jointly, from other causes that arise because of the acts or omission of its agents, employees, volunteers or independent contractors, whether acting within or without the scope of their authority. IPEIA hereby agrees to indemnify, hold harmless and defend the exhibitor and its respective officers, directors volunteers, and employees (indemnities) from and against any and all liability, responsibility, loss, damage, cost or expense of any kind whatsoever as they arise (including but not limited to court costs interest and attorney's fees) that the indemnities may incur, suffer, be part to or be required to pay, incident to or arising directly or indirectly from any intentional or negligent act or omission or breach of these terms, conditions and rules, or violation of any ordinance or statute by IPEIA or any of their employees, volunteers or agents. IPEIA assume full responsibility and liability for the actions of their agents, employees, volunteers and independent contractors, whether acting within or without the scope of their authority, and agree to indemnify, hold harmless and defend the indemnities as expenses arise, from responsibility or liability resulting directly or indirectly, or jointly, from other causes that arise because of the acts or omission of their agents, employees, volunteers or independent contractors, whether acting within or without the scope of their authority.

## AGREEMENT OF TERMS, CONDITIONS AND RULES

Exhibitor agrees to observe and abide by the foregoing terms, conditions and rules and by such additional terms, conditions and rules made by IPEIA from time to time for the efficient or safe operation of the exposition, including, but not limited to, those contained in this contract. In addition to IPEIA's right to close an exhibit and withdraw its acceptance of this application/contract, IPEIA in its sole judgment may refuse to consider for participation in future expositions an exhibitor who violates or fails to abide by all such terms, conditions and rules.
