

CCIA

CONTRACT CHIEF INSPECTORS ASSOCIATION

Authorization for Representation

The undersigned is authorized to represent our company on the Contract Chief Inspectors Association (CCIA). In doing so, this representative will vote (not applicable for honorary or associate memberships) on our behalf and share company information regarding pressure equipment safety and reliability.

Information obtained as a participant of the CCIA will be used solely to enhance the pressure equipment safety initiatives in the province of Alberta. It is understood that company confidential information and commercial issues will not be shared or discussed.

Full Membership

An annual membership fee per member company / entity represented in the Contract Chief Inspectors Association (hereinafter referred to as "CCIA") shall be required. The membership fee shall be determined and adjusted as required, from time to time, by the members at a general meeting. To promote awareness and mentorship for younger members of the pressure equipment integrity community, it was decided to allow for a 2-tier membership in the CCIA as follows and as further described in the "Membership Application".

Must meet at least one of the following conditions:

- Act as Chief Inspector for one Owner / User
- Belongs to an accredited Inspection Agency in the role of Chief Inspector for at least one Owner / User.
- Provide asset integrity management and integrity engineering consulting services in support of jurisdictional requirements
- Long standing individual members (more than 5- year members) that support the mission of the association and still active in the industry

Associate Membership

An associate member has the right to attend all meetings, share in the data presented and have access to the CCIA page on the IPEIA website. Associate members are required to pay any and all fees as necessary for Full Members. Associate Members do not have the right to vote on any issues in the CCIA.

Must meet at least one of the following conditions:

- Anyone employed by a certified inspection not meeting the requirements above
- Any Full member who has lapsed in their required number of meetings
- Second member of a member company or entity

Requirements:

- Must attend at least 2 meetings per year (monitoring to start once an application has been accepted).
- Either engaged and operating as a Chief Inspector by a Certified Inspection Agency, OR operating as an independent Chief Inspector for 1 Owner / User.
- Membership in IPEIA (fees et al to be determined).
