

Stream Colour Legend		Asset Integrity Management	NDE /Repairs/Inspection Technologies	Failure Case Study	Regulatory / Codes	Material Selection / Properties
----------------------	--	----------------------------	--------------------------------------	--------------------	--------------------	---------------------------------

Tuesday, March 10th							
7:30 AM	8:30 AM	Coffee Break					Glen Rooms PreFunction
8:30 AM	10:00 AM	Opening Ceremonies & Keynote - Dan Lerner (90 min)					Exhibition Hall E
10:00 AM	10:30 AM	Coffee Break					Exhibition Halls C/D & Glen Room PreFunction
10:00 AM	10:30 AM	STUDENT POSTERS: Presentation Title, Student Name, Institute & Poster Location "Influence of Multiple Post Weld Heat Treatment (PWHT) Cycles on the Mechanical and Microstructural Properties of Carbon Steel Welds" - Caio Cesar Siqueira Romani, SAIT - By Exhibition C/D Entrance "Optimizing Traceability in Pipeline Facility Fabrication" - Owen Zacharko, NAIT - Exhibition PreFunction "Preheating a Weld... How Much is Too Much?" - Noah Simpson, SAIT - Glenroom Prefunction					Exhibition Hall E
Technical Sessions		Glen 2017/202: Presentation Room A	Glen 203/204: Presentation Room B	Glen 208/209: Presentation Room C	Glen 206: Presentation Room D		
10:30 AM	11:30 AM	ABST-0847 Presenter Name: Myroniuk, Aleksel Title: Mechanical Grooved Joints for Pressure Equipment: Design, Standards, and Quality Assurance	ABST-0885 Presenter Name: Vollmer, James Title: Adaptive Engineering in Shutdown Environments. A Technical Approach to Managing Project Constraints and Found Work during Tank Repairs	ABST-0852 Presenter Name: Wong, Jessie Title: When AI Meets AI: Transforming Asset Integrity with Artificial Intelligence	ABST-0872 Presenter Name: Coates, Gary Title: Using AI (Artificial Intelligence) to assist in Proper Materials Usage - the MTI Approach		
11:30 AM	12:30 PM	ABST-0881 Presenter Name: Levan, Bruce Title: Microstructure, In-situ Replication and Remaining Life	ABST-0801 Presenter Name: Chapman, Joel Title: Beyond the Interval: Data-Driven Strategies for Smarter Integrity Management	ABST-0835 Presenter Name: Stewart, Bruce Title: Auditing Your Local Heat Treatment Contractor to ASME B31P and ASME Section I Mandatory Appendix VIII	ABST-0860 Presenter Name: Jones, Ryan Title: Evaluating and Repairing Vessel Support Skirts with CUF Damage: Practical Approaches and Case Studies	No programming scheduled	
12:30 PM	2:00 PM	Lunch					Exhibition Hall E
12:30 PM	2:00 PM	STUDENT POSTERS: Presentation Title, Student Name, Institute & Poster Location "Influence of Multiple Post Weld Heat Treatment (PWHT) Cycles on the Mechanical and Microstructural Properties of Carbon Steel Welds" - Caio Cesar Siqueira Romani, SAIT - By Exhibition C/D Entrance "Optimizing Traceability in Pipeline Facility Fabrication" - Owen Zacharko, NAIT - Exhibition PreFunction "Preheating a Weld... How Much is Too Much?" - Noah Simpson, SAIT - Glen room Prefunction					Exhibition Hall E
2:00 PM	3:00 PM	Glen 2017/202: Presentation Room A	Glen 203/204: Presentation Room B	Glen 208/209: Presentation Room C	Glen 206: Presentation Room D		
2:00 PM	3:00 PM	ABST-0858 Presenter Name: Rinas, Derek Title: Managing Equipment in Cyclic Service: How to Handle the End of Design Fatigue Life	ABST-0821 Presenter Name: Onuoha, Chukwuma Title: The Future is Contactless: Advanced Integrity Assessment for Buried Unpluggable Pipelines	ABST-0825 Presenter Name: Lewis, Jeannie Title: Smarter Standards: Leveraging Technology to Improve Compliance, Jurisdictional Alignment, and Impactful Knowledge Transfer	ABST-0911 Presenter Name: Cyr, Philippe Title: Bridging the Expertise Gap in Phased Array Ultrasonic Testing	No programming scheduled	
3:00 PM	4:00 PM	ABST-0814 Presenter Name: Croxford, Sean Title: Backpressure correction for pilot valves	ABST-0895 Presenter Name: Hudinsky, Tom Title: Retrofit of an existing HRSG with CO Catalyst: Performance Modeling for Flue Gas Temperature Window, CFD for Velocity Distribution, Circulation and Pipe Stress Analysis of piping modifications	ABST-0882 Presenter Name: Ebonka, John Title: Composite Repairs For The Live Leak Sealing Of Through Wall Pipework Defects	ABST-0891 Presenter Name: Kudzhak, Dina Title: Back to Basics: Tackling the Old School Causes of Inefficient Inspection Programs	PANL-0870 Panel Discussion Presenters Name: Seibp, Trevor & Regulators Title: Upcoming Changes to Section VIII Scope - Regulator Discussion (Panel Discussion)	
4:00 PM	4:30 PM	Coffee Break					Exhibition Halls C/D & Glen Room PreFunction
4:00 PM	4:30 PM	STUDENT POSTERS: Presentation Title, Student Name, Institute & Poster Location "Influence of Multiple Post Weld Heat Treatment (PWHT) Cycles on the Mechanical and Microstructural Properties of Carbon Steel Welds" - Caio Cesar Siqueira Romani, SAIT - By Exhibition C/D Entrance "Optimizing Traceability in Pipeline Facility Fabrication" - Owen Zacharko, NAIT - Exhibition PreFunction "Preheating a Weld... How Much is Too Much?" - Noah Simpson, SAIT - Glen room Prefunction					Exhibition Hall E
4:30 PM	5:30 PM	ABST-0907 Presenter Name: Wood, Stephen Title: Integrated Integrity Management in Midstream Operations: A Case Study of the Flanagan Coolers	ABST-0901 Presenter Name: Anderson, Dave Title: Navigating Emissions Compliance in the Oil and Gas Industry	ABST-0843 Presenter Name: McArthur, Dan Title: An Evaluation of the Efficacy of WRC 452 Post Weld Heat Treatment Procedures in a Cylindrical Shell-to-Head Junction	ABST-0846 Presenter Name: Lemmons, Marc Title: Facing the Future: ILM Solutions for Aging Boilers and Declining Expertise	No programming scheduled	
5:00 PM	7:00 PM	Reception hosted by IPEIA - Night at the Exhibition					

Thursday, March 12th

7:30 AM	Coffee Break	Glen 206: Presentation Room D		Exhibition Hall E
8:30 AM	Glen 201/202: Presentation Room A	Glen 203/204: Presentation Room B	Glen 208/209: Presentation Room C	ABST-0910 Presenter Name: Farrokhzad, Mai & IPEIA Title: Pressure Equipment Codes Introduction
8:30 AM	ABST-0921 Presenter Name: Knudson, Jason Title: Inlet Line Loss and Its Impact on Safety Relief Valves	ABST-0866 Presenter Name: Rakic, Ivan Title: Rapid and Accurate Heat Exchanger Tube Inspection with MachOne – Powered by SINE Technology	ABST-0883 Presenter Name: Bukharin, Nikolay Title: Forensic Analysis of Long Radius Pipe Bend Erosion	
9:30 AM	ABST-0839 Presenter Name: Marsden, Rick Title: Trends in Incident Root Causes Based on Industry Data	ABST-0903 Presenter Name: Allain, Heather Title: Using Collaboration to Reduce CPI Incidents	ABST-0916 Presenter Name: Min, Ken Title: API 592 Figure A.1: Example Fixed Equipment Codes, Standards, and Useful Documents Diagram	No programming scheduled
10:30 AM	ABST-0844 Presenter Name: Bettin, Ron Title: Aligning Leadership and Stakeholders in Shutdowns, Turnarounds & Outages (STOs): Effective Integration of Pressure Equipment Inspection into Complex Projects	ABST-0876 Presenter Name: Lam, Joyce Title: Transition of ASME B31.12 into ASME B31.3 and ASME B31.8	ABST-0896 Presenter Name: McColgan, Ian Title: Measure the Fouling, Not the Symptoms: Condition-Based Monitoring for Fired Heaters	
10:30 AM	Coffee Break	Exhibition Halls C/D & Glen Room Prefunction		No programming scheduled
10:30 AM	STUDENT POSTERS: Presentation Title, Student Name, Institute & Poster Location "Influence of Multiple Post Weld Heat Treatment (PWHT) Cycles on the Mechanical and Microstructural Properties of Carbon Steel Welds" - Caio Cesar Siqueira Romani, SAIT- Glen room Prefunction "Optimizing Traceability in Pipeline Facility Fabrication" - Owen Zacharko, NAIT - By Exhibition C/D Entrance "Preheating a Weld... How Much is Too Much?" - Noah Simpson, SAIT - Exhibition Prefunction	ABST-0748 Presenter Name: Arenas, Jose Title: Benefits of systemization and circuitization efforts in the efficacy and manageability of an asset integrity management program.	ABST-0875 Presenter Name: Paranych, Shaun Title: Addressing the Skilled Trades Shortage: How CWB Group Supports the Pressure Welding Industry	
11:00 AM	ABST-0859 Presenter Name: Lebel, Kayla Title: From Inspection Data to Engineering Assessment: Level 3 FFS of a Corroded API 650 Tank	ABST-0816 Presenter Name: Tan, David Title: Comprehensive Evaluation and Rehabilitation Strategy for the East Thickener Reinforced Concrete Tank in High-Temperature Service	ABST-0876 Presenter Name: Lam, Joyce Title: Transition of ASME B31.12 into ASME B31.3 and ASME B31.8	No programming scheduled
1:00 PM	Keynote Anthony Merle, Awards & Closing Ceremony	Exhibition Hall E		Exhibition Hall E
