

## TOWNHALL MEETING

# “CAN WE TALK?”

**Thursday, February 27, 2020**

**4:30 – 5:00pm**

## 2020 TOWNHALL

# CAN WE TALK?

WHEN YOU TALK, YOU ARE  
ONLY REPEATING WHAT  
YOU ALREADY KNOW.  
BUT IF YOU LISTEN,  
YOU MAY LEARN  
SOMETHING NEW.

DALAI LAMA

### 6.0 ORGANIZATION STRUCTURE

#### Overview – Commitment is Essential

This section provides an overview of the complete organizational structure, which has been put in place to plan, market and fully execute the complete scope of the IPEIA conference, in accordance with the requirements of Section 2.0. This organizational structure is based on a “committee centered” approach with all sub-committees having representation on the steering committee. For an overall layout of the committee structure see below. All steering, sub-committee or sub-committees will include in their name the year of the conference that they are planning for i.e. the program committee assembled to work on the 2014 conference will be referred to as Program Committee 2014.

# WHERE ARE WE HEADED?

## 5 YEAR PLANNING SESSIONS

### IPEIA'S MISSION

- ✓ Increase awareness of pressure equipment safety, reliability, integrity and technological improvements associated with design, fabrication, maintenance, operation and inspection throughout industry
- ✓ Provide knowledge and education for the continuous improvement of the pressure equipment industry
- ✓ Provide a forum for the interaction between industry, regulators and educators.
- ✓ Provide a platform through which pressure equipment industry concerns and or initiatives can take hold and be administered.

# WHERE ARE WE HEADED?

## 5 YEAR PLANNING SESSIONS

### IPEIA'S VISION:

# TO BRING THE PRESSURE EQUIPMENT INDUSTRY TOGETHER

**WE ARE LISTENING**
