General Information

I. Spousal Program Badge

Upon arriving at the Jasper Park Lodge for the IPEIA Conference, you will need to check-in at the IPEIA Registration desk to obtain your Spousal Program Badge. Please note, this badge will need to be worn to access the IPEIA Shuttle.

Note: Wednesday Networking Event (7-11pm) requires a ticket for admittance. Tickets are not included with spousal program and must be purchased separately.

II. Shuttle Transportation

The IPEIA shuttle schedule to/from the Jasper Park Lodge can be found <u>online</u> and in the Conference App's left-hand menu. Each participant is responsible for getting themselves to and from the Jasper Park Lodge on Day One as well as to/from the Downtown Jasper Dining Tour on Day Two. The IPEIA shuttle is available for complimentary use, but you must be wearing your IPEIA Spousal Program badge to ride.

III. Attendance

We understand that things can happen unexpectedly that could impact your ability to attend. As per our registration policies, all registrations are non-refundable. We do not have anyone on the waitlist at this time. If we have anyone inquire wishing to be on the spousal waitlist, we will then be able to offer you a refund should they secure the open spot. For cancellations, email admin@ipeia.com. Please also be on-time, so the group is not delayed in participating in the activities and notify the below onsite contact of any conflicts.

IV. Dietary Restrictions

If anything changes with the dietary restrictions you entered on your initial Spousal Program form, please send them to admin@ipeia.com as soon as possible and we will try and accommodate.

V. Onsite Contact

On the event days, please contact Ashley Brosda directly should you need to (e.g. if you are running late, sick, etc.). Texting is the easiest form of communication, as there is always a lot going on which doesn't always allow time to step away for a phone call!
