

IPEIA Conference & Exposition

Banff, Alberta, Canada

IPEIA Member Emeritus Nomination Form

There are long serving Steering Committee, Executive Committee members and others who have contributed to the success of IPEIA that should be recognized as Members Emeritus after their active involvement in IPEIA ceases. IPEIA recognizes the value of their continued contribution, participation and mentoring as well as their association with IPEIA after they step down from committee work.

Member Emeritus candidates may be nominated for consideration by any IPEIA committee member. The nomination will normally be considered, reviewed and voted on at the September Steering Committee meetings each year. All Member Emeritus candidates will be distributed to Members Emeritus for comment and vote, Members Emeritus will vote before the steering committee votes, any received votes will be considered by the steering committee in final decision.

The honour of Member Emeritus may be bestowed on a person who has made a significant contribution to IPEIA over at least 10 years, including one 5-year term as a Steering Committee or Executive Committee member.

Nominations must be received prior to the August Steering Committee meeting and must meet IPEIA's requirements for Members Emeritus:

- Members Emeritus cannot be nominated for continued Steering Committee membership
- Are represented on Steering Committee through the Advisory Committee
- Meet quarterly for updates and provide input/guidance for consideration through the Advisory Committee Chair

Nominee
